'No way!': disgruntled Iranians say they'll boycott poll

TEHRAN: Many Iranians, battered by economic sanctions, political turmoil and the lingering threat of military conflict, say they are in no mood to vote in general elections this week.

Kiana was strolling through Tajrish, one of the capital's most exclusive neighbourhoods where displays of wealth contrast sharply with extreme poverty.

less for two years and who said he worries about the lack of vision of those candidates allowed to stand for elections.

"From the point of view of our religion, it's important to go and vote, especially as our country is surrounded by enemies," she said.

"The most important thing for us is to have faith in life and then the economy will be good." But in the same neighbourhood, youths spoke of their thirst for more freedom in the Islamic republic, which marked its 41st anniversary this month.

"I feel hopeless and weak, and I'm even not 25 years old," he said, shivering in below-freezing temperatures. "I feel desperate," he added, citing expenses he can't pay, worries about being unable to find a wife and taking care of his parents.

But many people feel their lives have been crippled by the economic slump and exacerbated by harsh US sanctions since US President Donald Trump in 2018 pulled out of a landmark nuclear deal with Iran.

Added to this has been the threat of military conflict as Trump has ramped up a campaign of "maximum pressure" against the Islamic republic. Pari and her daughter

At Tehran's Grand Bazaar, beyond the stunning turquoise-blue mosaic entrance, hundreds of people scrambled into the historic market, a labyrinth of alleys and shops underneath stone vaulted ceilings.

Browsing for brass dishware, linen bedding, refined carpets and clothes, shoppers elbowed their way through the crowd.

Standing at the entrance was Amir Motasham, a 38-year-old who has been job-

"I will certainly vote, but I need to think about for whom," said Hassan Ghole, 55, a bazaar salesman.

"Our parliamentarians are all trying to do their best but how much they can actually succeed, nobody knows," he said, expressing hope that future lawmakers would work "to solve the problems of youths". In Tehran's poorer southern district of Nazi Abad, a housewife wearing a chador also said she would dutifully cast her ballot.
