

National parks in B'pur, Pindi, Kharian approved

By Our Staff Reporter

LAHORE: A meeting of the Cabinet Committee on Legislative Business was convened in the Civil Secretariat chaired by Provincial Minister for Law, Parliamentary Affairs and Social Welfare, Raja Basharat, while Additional Chief Secretary Shaukat Ali, Secretary Law, Secretary Local Government, Secretary Forest, Secretary Housing, Secretary Labor and the other officers also participated.

The committee approved a proposal for establishment of National Parks in Bahawalpur, Rawalpindi and Kharian on the direction of the Prime Minister and allowed the Labor Department to amend the Punjab Maternity Benefit (Amended) Act 2019 and Road Transport Workers (Amended) Act 2019.

The meeting gave go ahead on proposals for the Overseas Pakistanis to allocate a quota in government jobs in Punjab, five-year concession in upper age limit and a resolution of the Rouet-i-Hilal Bill 2019 in the Punjab Assembly to create a consensus on crescent sighting.

The exemption from the mandatory requirement of one year service in the Secretariat for the promoted Tehsildars with age over 55-year-old was also conceded. The House okayed draft of the Punjab Hepatitis Rules 2019 and constitution of Advisory Board of the Punjab Shehr-i-Khamoshan Authority. Raja Basharat adjourned the proposal of a Local Government near China Chowk Lahore to build a 332-feet high plaza for further consideration.

'Lawyers to appear in urgent stay, habeas, bail matters

LAHORE: The bar organisations on Tuesday announced that the lawyers would only appear in urgent stay matters, habeas petitions and bail matters till April 5 in the wake of coronavirus threat.

In a joint statement issued here, Pakistan Bar Council Vice Chairman Abid Saqi, Vice Chairman Punjab Bar Council Muhammad Akram Khan Khaksar, Lahore High Court Bar Association (LHCBA) President Chaudhry Tahir Nasirullah Warriach, and other leaders expressed concern over ineffective implementation of precautionary measures/guidelines issued by Lahore High Court chief justice to ensure safety of lawyers, litigants and judges during the coronavirus epidemic.

They noted that LHCBA cabinet had on March 16 requested the LHC CJ to fix only urgent cases for hearing in the next 14 days so that minimum number of persons should visit the court premises but it was not appreciated. Therefore, in view of safety of judges, lawyers and litigants, it had been decided that the lawyers would only appear in urgent stay matters, habeas petitions and bail matters till April 5, they added. They also suggested that the period should be deducted from summer holidays. —APP

Government will utilize all resources to control this pandemic, and In Sha Allah, we all have to save ourselves as well as other people from corona virus, he said and added that government departments are working round the clock to fight out dreadful corona virus.

Awareness campaign to eradicate virus escalated in all prisons across province

By Our Staff Reporter

LAHORE: On the directions of IG Prisons Mirza Shahid Saleem Baigh awareness campaign regarding adopting preventive measures for eradicating coronavirus has been escalated in all prisons across the province.

DIG Prisons and Superintendent Prisons are also ensuring complete implementation on the precautionary measures being initiated by the Health Advisory in this regard. In every prison four temperature guns are being provided through which temperature of all the visitors coming to jails along with officials working in Jails is checked. If some prisoner is suspected with coronavirus symptoms then he is immedi-

ately sent to concerned district hospital for treatment or is being kept in the quarantine centre in isolation with other prisoners.

In every prison separate coronavirus centre is being immediately setup consisting of at least four cells. Suspected prisoners are being provided with soap and masks during the course of coronavirus diagnosis. The cases of such prisoners who are suffering from coronavirus are being intimated to the learned trial court in writing and with the permission of court it is also ensured that they should not be presented before any court during the course of trial proceedings till completely getting recovered.

An awareness campaign is also being run on the media to adopt precautionary measures to

save people from coronavirus. Medical officers along with paramedical staff examine all the Jail officers along with staff and also impart awareness lectures to them in this regard.

District peace committee meets

A meeting of district peace committee was held here on Tuesday with CCPO Lahore Zulfiqar Hameed in the chair. Religious leaders from different schools of thought of the city announced to extend cooperation for averting coronavirus. They said that awareness campaign would be launched from mosques. Ulema and Masheikh will create awareness among citizens about coronavirus in Juma and other religious congregations.

CCPO Zulfiqar Hameed urged the ulema and mashaikh to spread Islamic message of cleanli-

ness to avoid the virus. He advised the citizens not to hold marriage parties and social ceremonies in these circumstances.

IG Prisons inspects precautionary measures in Distt jail

Inspector General Prisons Mirza Shahid Saleem Baig on Tuesday visited the district jail and inspected the precautionary measures adopted in the wake of corona virus pandemic.

The IG Prisons visited different areas of the jail. Prisoners and staff were asked about the precautionary measures. Instructions were issued to use more and more disinfectants and sanitizers, frequent washing of hands, screening of very entrant, personal hygiene of prisoners and regular cleanliness of barracks and luggage of prisoners.

This accolade is an acknowledgment of the innovative steps being undertaken by Hutchison Ports Pakistan including the introduction of state-of-the-art machinery, tools and techniques to create a hassle-free supply chain."

Hutchison Ports Pakistan recently became the first terminal in the country to acquire electrical remote-controlled semi-automatic rubber-tyred gantry cranes to facilitate loading and unloading of cargo at its phase 2 extension. The company has made some significant contributions to increase efficiency at the trading ports in Karachi. —PR

During this operation, Enforcement Directorate assisted by Building Control Directorate of the authority. Similarly, during another operation staff of Enforcement Directorate demolished one illegally constructed room adjacent to external wall of the Pak PWD while one truck encroachment material was also confiscated which was later on shifted to store.

Sindh Governor asks ABAD members to support PM's Naya Pakistan Project

KARACHI: Governor of Sindh, Imran Ismail Tuesday urged the Association of Builders and Developers' (ABAD) members to play their role in the success of Naya Pakistan Housing Project.

Talking to a delegation of ABAD, led by its Chairman, Mohsin Shaikhani, he said the housing project part of the Prime Minister Imran Khan's vision to ensure quality and affordable housing facilities for the citizens of the country, must be supported by all stakeholders engaged in building and development work. ABAD delegation that also included Sohail Warind, Hussain Bakshi and Ali Taufiq had a detailed meeting with Ismail at Sindh Governor House to discuss problems and challenges being faced by the body. They expressed their strong desire to be active partner in the ambitious Naya Pakistan Housing Project, with all sincerity of purpose, in meeting the growing need of masses for a decent housing provision.

Governor Imran Ismail appreciative of the contribution made by the industry in providing employment opportunities to the people said it was important that no compromise is made by those engaged in the field towards quality and public safety. Sindh Governor assisted by his advisor, Umed Ali Junejo and MPA Jamal Siddiqui said that all genuine problems of ABAD members would be settled and that needed support would also be extended. On the occasion issues related to coronavirus disease were also discussed and it was agreed that every segment of society has to play its role in prevention. —APP
