Lady health worker dies as tractor-trolley hits rickshaw in City

By Our Staff Reporter

LAHORE: A lady health worker died after a tractor-trolley hit a rickshaw near adda plot Raiwind road in Lahore city on early Saturday morning.

According to police sources, a lady health worker, identified as 35-year-old Anbreen, was travelling when a speeding tractor-trolley collided with her rickshaw and claimed her life on the spot, a private news channel reported.

Police and rescue teams reached the spot and shifted the injured driver and the body to a nearby hospital. The rickshaw was destroyed in the collision, resulting in the death of a woman, sources said.

Police have collected forensic evidence and started investigation.

LWMC issues notification for dismissal of absentee staff

By Our Staff Reporter

LAHORE: The Lahore Waste Management Company (LWMC) has issued notification for dismissal of employees who remained absent for a long period of time.

According to sources on Saturday, practical steps were being taken to strengthen transparency in the organisation. The department had issued a notification to dismiss 62 absent employees. During the last three months, more than 200 employees absent from duty for a long time had been terminated from service. LWMC Chief Executive Officer (CEO) Ali Anan Qamar said that all systems of the company were being digitized to ensure the best service delivery and monitoring system.

Attendance of workers in field, in and out time of vehicles from workshop were being monitored through modern online applications and a pilot project for digital entry of stock in workshops had been started in Outfall Workshop, he added. He said that by ensuring the digital monitoring, there was a significant improvement in the attendance of workers and operational working.

Pakistan, Turkey bound by strong ties of religion, culture and history: Baligh

Governor says both countries have unprecedented historical and fraternal relations

By Our Staff Reporter

LAHORE: Governor Punjab Muhammad Balighur Rehman participated in a ceremony organized in a private hotel regarding the Republic Day of Turkey. Consul General of Turkey Emar Ozbey, American Consul General William McCannulley, Iranian Consulate Muhammad Raza Naziri and others were also present in the ceremony.

Speaking on the occasion, Punjab Governor

Muhammad Balighur Rehman congratulated the President of Turkey Recep Tayyip Erdogan, the people and the government on the 99th Republic Day of Turkey.

He said that Pakistan and Turkey have unprecedented historical and fraternal relations. Governor Punjab said that Pakistan and Turkey are bound by strong ties of religion, culture and history. He said that during the recent visit of the Prime Minister of Pakistan Muhammad Shahbaz Sharif to

Turkey, steps have been agreed to increase mutual trade twofold. He said that Turkish companies will be provided with all possible facilities in investment projects.

Governor Punjab said that Turkey and Pakistan have stood by each other in every difficult hour. He also thanked Turkey for helping Pakistan flood victims in the recent floods. Earlier, a delegation of Pakistan

Plastic Traders Association led by Chairman Syed Azmat Ali Shah called on Governor Punjab Muhammad Balighur Rehman at Governor House Lahore. Speaking on this occasion, Governor Punjab Muhammad Balighur Rehman said that promotion of economic activities is very important for the social and economic development of any society.

Rescue 1122 imparted training to AKAH Syria Search & Rescue team

By Our Staff Reporter

LAHORE: The Emergency Services Academy (Rescue 1122) organized training for the Aga Khan Agency for Habitat (AKAH) Syria Search and Rescue Team. A total of 13 members including 9 from Syria and 4 from Pakistan attended the weeklong Course on Search & Rescue Strategies and Techniques by United Nations INSARAG certified Search and Rescue Experts of Emergency Services Academy. The week-long training course has been organized from 24th to 29th October 2022, on request of the Aga Khan Agency for Habitat (AKAH) Team. The purpose of this course was to train the AKAH Search & Rescue (SAR) team in Disaster Response as per international standards.

The Secretary, Emergency Services Dr Rizwan Naseer congratulated them on successful completion of the Course and said that I have seen what Syria has gone through and it is very sad what has happened in Syria and we know Our Syrian brothers and sisters are going through a difficult time which is a challenging situation for the Syrian Nation. In this challenging situation, the Emergency Services Academy is here to provide all

possible technical support to our brothers. I am sure that the practical life-saving & rescue skills learned in this course will be helpful in real rescue operations in Syria in case of any emergent

situation. Emergency Services Academy shall provide all possible technical support to AKAH Syria and Pakistan in the field of Specialized Search and Rescue and Emergency Management in future too. On closing ceremony Mr Inayat Jan, Team Manager AKAH, Registrar Academy Dr Muhammad Farhan Khalid, Syria team participants, and Academy Instructor were present in the ceremony.

Secretary, Emergency Services Dr. Rizwan Naseer further said that Emergency Services Academy is pleased to enhance capacity building of National, Regional and International Teams. Rescue 1122 has also provided training Support to Sri Lanka and Tajikistan through the UN-INSARAG Certified USAR Team of ESA. He appreciated the interest of AKAH management especially CEO AKAH Syria Salman Shah for his personal interest in capacity building on the Syrian Search & Rescue Team. Mr. Inayat Jan, Team Manager AKAH appreciated the capacity of Emergency Services Academy and said its really amazing experience of witnessing world class training simulators and expertise of the trainers in the Academy. Furthermore, he said that the Emergency Management & Dispatch System (EMDS), the Provincial Monitoring System of the Service and

Fatima Sana confident of good show in series against Ireland

LAHORE: Pakistan women's ODI and T20I squads are currently undergoing a five-day pre-series camp at the National High Performance Centre here ahead of the Ireland assignment. In the camp, players also featured in an intra-squad match at the LCCA Ground, which was won by Nida Dar's Pakistan Blues.

Ireland women's team, embarking on their maiden tour to Pakistan, is due to arrive in Lahore in the wee hours on Sunday. During the tour, both sides will feature in six limited-

overs matches – three ODIs, part of the ICC Women's Championship, and three T20Is from 4 to 16 November at the Gaddafi Stadium in Lahore.

While Pakistan will be without their fast bowler Diana Baig – ruled out of the series due to shoulder injury – their pace bowling will be boosted by the return of Fatima Sana. The 20-year-old pacer has regained her fitness after missing out in the ACC Women's T20 Asia Cup due to an ankle injury sustained during the Women's Caribbean Premier League while representing Barbados Royals. At the sidelines of the camp, Fatima said on Saturday, "It was great to see the team's momentum in the ACC Women's T20 Asia Cup.

"It is great to see Ireland coming here for the first time, we will try to keep our winning momentum going in the forthcoming series as well."

Fatima, who made her debut in the 2019 series against South Africa in

South Africa, has till date featured in 25 ODIs, taking 36 wickets, with five for 39 her best match figures, which came against West Indies in Antigua in 2019. In 15 T20Is, she has 12 dismissals to her name, with three for 27 her career-best. Commenting on her bowling partnership with Diana, Fatima responded, "I have a good combination with Danny (Diana Baig). The side will surely miss Diana, but we have other fast bowlers in the side which are good enough to challenge the Irish side." Fatima, who has the distinction of winning PCB Women's Emerging Cricketer of the Year award in 2020 and ICC Emerging Cricketer of the Year award in 2021, has urged fans to come to the stadium and show their support for the Pakistan team. She said: "We have seen a good crowd in Karachi against Sri Lanka, we hope to see a similar crowd flocking the stadium and supporting us in the series against Ireland." —APP
